

# Fees & Charges and Transaction Limits

We don't like to see our members paying fees. Which is why we'll show you a number of ways to manage your account with little or no fees and charges. Unfortunately, some are unavoidable, particularly when we are billed by third parties. We do everything possible to keep these to a minimum and ensure they are fair and reasonable. The bottom line is, you will pay a lot less at Australian Mutual Bank. If you are running a small business, that can amount to several hundred dollars of savings every month.

This Fees & Charges and Transaction Limits brochure must be read together with the Australian Mutual Bank Summary of Accounts & Availability of Access Facilities and Account Access Facility Terms & Conditions of Use.

This brochure provides notice of the introduction of any new fee applicable to any account, payment service, or credit contract (if they have not been introduced by a previous notice).
